# EVERYTHING YOU NEED TO KNOW

---

## HOW TO PLACE YOUR ORDER

If you found your perfect dress in our Bridesmaids Catalogue you can mail us at [hello@hoiden.co.za](mailto:hello@hoiden.co.za) or [capetown@hoiden.co.za](mailto:capetown@hoiden.co.za) for the order form & colour chart. Once the order form has been sent through to us we will reply with a quotation.

## CAN I CHOOSE MY OWN COLOUR

Hoiden has a variety of colours to choose from. Please email us for the latest colour chart. Please note that the colours might differ slightly from the actual colour available due to variety of screen lighting/printer colours. if you would like us to send you colour fabric swatches, please contact us.

## HOW DOES PAYMENT WORK

We only need a 50% deposit to confirm your order. Once you decide to accept the quote you can eft the deposit and send through the Proof Of Payment. The final payment is only due before the dress is collected or couriered.

## WHEN WILL I RECEIVE THE ORDER

Our lead-time for Bridesmaids dresses are 6 to 8 weeks. As soon as we receive your proof of payment your order is processed and we will inform you once a delivery date is set. If you do however want your dress only delivered closer to the wedding date you can indicate the exact delivery date on the order form which we will then work according to.

If you want the dress sooner than the average 6 to 8 week lead-time, we do offer this service for an additional R400 charge.

## CAN I ORDER EVEN THOUGH I AM NOT IN PE OR CAPE TOWN

Yes definitely! Our styles are specifically designed with online sales in mind. So the fit and patterns have been tried and tested on numerous clients and body shapes and we know they work. We can courier the dress nationwide

## HOW MUCH WILL IT BE TO COURIER THE DRESSES TO MY DOOR

1-3 Dresses = R180

4-7 Dresses = R250

More than 7 Dresses = R300

## **HOW DOES THE CATALOGUE PRICING WORK**

So once you have decided on a style you will notice that there are different price options. We wanted to make this collection as budget friendly as possible and give YOU the choice on how much you are willing to spend on your Bridesmaids dresses

There are TWO different Price options:

### **STANDARD PRICE OPTION**

Standard sizes are our more budget friendly price option that works on your normal retail sizes i.e Extra Small, Small, Medium, Large, XLarge and XXLARGE.

YOU choose the standard size you feel will work best for your body according to our measure chart.

You can find our Youtube tutorial on "How To Measure" here for more guidance:

<https://www.youtube.com/watch?v=PieH0TRgW5o&t=2s>

When ordering on the standard size price option this will EXCLUDE any fittings, alterations or tailoring.

The dress is sold AS IS.

Please note that if the incorrect size is ordered we do not offer refunds, as the dresses are all custom made on order. Once an order has been placed for that specific style, size, skirt cut, and colour. The chances of reselling the dress again to someone with the exact same specifications might be rare.

ORDERING THE CORRECT SIZE IS KEY WITH THIS OPTION.

If you would like tailoring and alterations done on your standard option dress, we can then provide you with a quote for the specific alteration, however the "Made-to-measure Price Option" might have been a more affordable option for you.

### **MADE TO MEASURE OPTION**

When ordering a dress on this price option the dress will be made according to your exact measurements given.

Follow the tutorial on How To Measure here:

<https://www.youtube.com/watch?v=PieH0TRgW5o&t=2s>

Or Make a measurement appointment with one of our showrooms

This price option will also include fittings (if you're able to attend one of our showrooms in PE or Cape Town) and Alterations/tailoring. This means that once the dress has been sewn up, one of our designers will assist in pinning and altering the dress to your unique body shape to ensure a perfect tailored fit.

Working according to measurements will definitely help to achieve a perfect fit, but tailoring helps to emphasise or hide areas of your unique body that measurements alone could not indicate to us.

If you are not able to attend the showrooms but still want the Made-to-Measure option we can assist with a step-by-step guide on how to pin the dress to indicate the alterations needed. Courier costs are however NOT included.

# TERMS AND CONDITIONS

The Quotation is only considered accepted once a 50% deposit is paid. The balance is payable on collection of goods, unless otherwise negotiated in writing or credit terms in place.

**Cancellation Policy:** We will impose a cancellation fee in the event of cancellation before delivery. The minimum cancellation fee is 50% of the total invoice amount if the goods have not been manufactured yet. The fee will depend on the nature of the order, the length notice of cancellation before delivery, the reasonable potential to find alternative clients for the order and the reason for cancellation. No refund on deposits in the event of cancellation for already ordered or made Special-Order Goods.

**Delivery Policy:** The client is responsible for the collection of the goods at the business physical address unless otherwise agreed. We can arrange delivery on behalf of the client. If we arrange a delivery on behalf of the client, it will be at the clients cost depending on the area of delivery and the risk of handling the goods will be on the client as soon as the goods are place on delivery vehicle. The client must arrange their own insurance in this regard. We will communicate unavoidable delay in the delivery.

**Courier:** Hoiden will NEVER be liable for ANY courier fees (especially not for any alterations, returns or tailoring) and will always be on the Clients' final invoice. Hoiden have an account with one courier company i.e Globeflight and will ensure to use the most affordable one for the location provided however Hoiden will not be responsible for late deliveries affected by the couriers. Please advise if you'd like to use your own courier.

**Refund Policy:** Please choose carefully. We do not allow refunds as all our dresses are specially made-up according to custom sizes chosen, colours and styles. Where goods are defective, we need to be notified about it within 30 days after it has left our premises. If the product do not perform we need to be notified about it, and repairs will be arranged. If the product is installed, affixed amended will not accept a return of the product. We may charge a handling fee of 10% of the price if the return is accepted by management.

**Fabric Manufacturers:** The Client agrees that in no instance will Hoiden be responsible for any colour shade changes that might have occurred. Since Hoiden has no control over the manufacturing of the fabrics being purchased, Hoiden cannot take blame for colour changes that might occur in the dye of the fabric. Hoiden will however ensure that all changes will be kept to a minimum. Please also note that the lace pattern may change according to the colour chosen. The lace on the final product may not coincide with the lace on the catalogue. If different colours are chosen in the same style, please expect the lace pattern to all be different. Please do communicate with us if you're specific about the lace pattern.

**Colour chart:** All colours displayed on the colour chart are Hoiden's best effort at a match to the actual fabric colour. Hoiden takes no responsibility over differences in colour between the chart and the actual colour goods received. Please note that due to different monitor/screen/photographers editing/printer settings colours may appear differently to the actual colour intended. If you would like to be certain we do suggest asking for a physical colour swatch to be couriered at courier charges.

**IF STANDARD SIZE OPTION WAS CHOSEN:** Under no circumstances will alterations or tailoring of the goods be done at no cost. If tailoring or alterations are requested then an acceptable quote will be calculated and communicated before continuing. Please do make sure about the size by using our size guide and Youtube tutorial. Because the good are made on order according to the specific size and colour we do not accept returns or exchanges if the wrong size was chosen. If any help is needed with choosing a size, please do communicate with our team that you need help.

**IF CUSTOM MEASUREMENT OPTION WAS CHOSEN:** Please ensure that measurements are taken correctly according to the measuring chart and tutorial on Youtube. Tailoring and alterations are included in your price but Do expect minor alterations at your fittings. Measurements are given and used accordingly but for the absolute perfect fit, tailoring will always be needed. Measurements can only help us to identify the correct sizing but not to create an individual's exact bodyshape, so we do suggest having it altered if necessary.
